LETTER REGARDING ERROR IN PATENT TERM ADJUSTMENT

TO THE COMMISSIONER FOR PATENTS,
SIR:

Pursuant to Comment 43 of the rules listed in Federal Register Vol. 65, No. 181 at page 56387 (Sept. 18, 2000), Applicants hereby notify the Office that the term adjustment for the pending patent is thought to be longer than appropriate. The Office has indicated that the application is entitled to a patent term adjustment of fifty-eight (58) days, but applicants believe that the correct adjustment is forty-eight (48) days.

* Applicants mailed a supplemental information disclosure statement on September 11, 2003 and was received by the Office on September 15, 2003. A copy of the date stamped supplemental information disclosure cover letter is enclosed. However, in its calculation of the patent term adjustment, the Office inadvertently indicated that the information disclosure statement was received ten (10) days earlier on September 5, 2003. Accordingly, it is believed that the patent term adjustment should be reduced by ten (10) days to forty-eight (48) days.

Applicants believe that no fee is due for the filing of this letter.

Respectfully submitted,

Richard L. Bridge, Reg. No. 40,529
